Welcome to the best day camp in Salt Lake City!
Here is the information you need to ensure a successful experience for your child. In addition to this handbook, you can check out what is going on by visiting the Club U Blog, by visiting Youth Education’s Facebook page, or by following Club U on Twitter.

Transportation:
During the week, Club U will travel to various places around the Salt Lake Valley. Friday fieldtrips will require them to travel farther distances. Depending on the activity, transportation will either include District School Busses, UTA busses, TRAX, or State Motor Pool Vans. The Club U staff have been trained in public transportation safety and are very cautious when using public transportation. They have also been certified to drive motor pool vans that seat 7 passengers. Seatbelts will be enforced, and if your child is under 8 years of age they will be seated in a booster seat.

1. Follow directions
2. Show respect with your words and body
3. Think: Safety First!
4. Be an incredible Club U camper!
