

LIFELONG LEARNING

PERSONAL ENRICHMENT CLASSES FOR INQUISITIVE ADULTS

Beginning Acrylic Painting

Instructor: Chase Leslie (chasemc62@yahoo.com) 801-651-6810

Location: Annex, Campus, Salt Lake City

Dates and times: Thursday March 06 - April 10, 2008 6:30-9:00pm

Course Goal: To explore the joy of painting with this expressive and forgiving medium. Faster-drying and less expensive than oil, water-based acrylics offer both the opacity of oil and the transparency of watercolor. We will focus on the fundamentals of painting, such as color, value, and design, as we familiarize ourselves with this flexible art form. We will also look at color as it relates to emotions and psychology
