Youth Education at the University of Utah serves children preschool through high school at three main locations: University of Utah Campus, Bountiful, and Sandy. Courses are offered in the following areas: Club U (thematic day camp), Youth Academy of Excellence (YAE - Gifted/Talented), Creative Arts, Hobbies & Careers, High School Credit, Music, Language, Preschool, Science & Math, and Computers & Technology. Class sizes typically range from 5-15 students.

We are seeking instructors who are knowledgeable and passionate and who are motivated to share their expertise with youth. Instructors may teach for one or more weeks during the summer session which is June 7 – August 20, 2010. Classes typically run for one week for 2-3 hours in the morning or afternoon. Club U runs from 8am-3pm, while YAE runs from 9am-3pm. Club U specialists teach from 9-11am on Tuesday, Wednesday and Thursday. Compensation begins at $25/contact hour. We are expanding our offerings in current classes (like Legomania) and seek to expand choices to families in Sandy and Bountiful. If you are interested in teaching a current class or proposing to teach a new class, please submit the following application with your resume to:
