

2008 TUITION ASSISTANCE APPLICATION

Division of Continuing Education Youth Education

Student and Parent/Guardian: The Youth Education Program has limited tuition assistance funds available to assist applicants, and their families, who cannot meet the cost of the program. Financial assistance will be awarded to students who qualify for the Federal free and reduced school lunch program (Form A). The same income guidelines will be used for families who are not enrolled in that program (Form B).

Please note that the tuition assistance materials will be held confidentially throughout the calendar year. All financial assistance application materials will be destroyed when the program has concluded. All students must fill the questionnaire on page 2. Parents will be asked to pay the supply fee for some programs.

Please call Youth Education at (801) 581-6984 if you have any questions regarding this application. Return completed application by fax (801) 585-1613 or mail to:
