Students will be automatically registered for this lecture section when registering for the pertinent lab and/or discussion section. Supplemental Instruction (SI) is attached to this section. SI provides free, organized group study sessions in which students actively focus on course content, test preparation, and study skills. SI is facilitated by trained student SI leaders. SI session times are determined the first week of class. See [www.sa.utah.edu/lep](http://www.sa.utah.edu/lep) for more information.
