

## TOOL LIST

Most materials will be provided, however, each student is responsible for purchasing some basic bookbinding tools. Participants should bring their tools to class each week.

- pencil
- ruler (steel preferred)
- bone folder
- scissors (small and sharp)
- glue brushes: 1 large (1" to 2", round or flat); 1 small ( $\frac{1}{2}$ " to  $\frac{3}{4}$ ", round or flat)
- Olfa cutter or X-acto knife + extra blades
- bookbinding awl
- sewing needles (several; tapestry needle recommended)
- apron (optional)
- small metal triangle or L-square (optional)
- Teflon folder (optional)

*\*If you wish to make additional books or use different materials from those supplied, you'll need to purchase your own materials. The Book Arts Program stocks some supplies as a convenience to students, but we cannot always guarantee we will have what you want in stock.*
